JHB/HM/29136

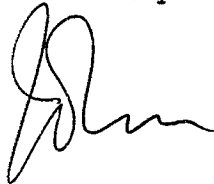

Dear Ronald

PM 1267 CIP Finland
Our File: 29136

Further to my letter of 3rd September and in the absence of any contrary instructions I have authorised our Finnish associates to proceed with amendment of the specification and translation of the claims into Swedish preparatory to allowance.

A copy of the amended introductory pages 1 to 5 of the specification is now enclosed together with a covering note and a fair copy of the amended claims. I hope this case will now proceed to issue. It is interesting that we have had marginally less difficulty with the notorious Finnish Examiner than with the corresponding application in the European office.

Yours sincerely

J.H. Bass
